

WAYAN

SUANTIKA

Experienced website designer with a strong background in designing, developing, and maintaining digital solutions for a wide range of businesses.

For more than 6+ years, I have worked across modern web development, front-end implementation, and full-stack collaboration to deliver practical, cost-effective solutions for clients based in Bali and beyond.

CAREER

EXPERIENCE

JAN 2015

WEB DESIGNER

WAYAN.CC

Badung, Bali, Indonesia

- Language: TypeScript · HTML5 · Tailwind CSS · React JS · Next JS
- Platform: WordPress · Wix · Squarespace · Shopify

As a freelance website designer, I have collaborated with hotels, restaurants, and a wide range of businesses to create tailored digital experiences. My approach combines technical execution with a strong design eye, resulting in websites that are visually distinctive, functional, and easy to use. I focus on delivering high-quality work that supports each client's goals and strengthens their online presence.

JUN 2021
